# Heritage

Born from a love of camping and outdoor living, coupled with a desire to always create and innovate, Campingaz® products are instinctive and inspired, simple yet clever solutions based on over 70 years of expertise.

Campingaz® stands for safe and reliable products that are made to stay with you. Be a part of our family!

1949  
Stoves

1970's  
Coolers

1980's

# It's the simple things that count...

Often simple thoughts spark big ideas; in 1949, when a young man embarked on a camping holiday with his family, he could never have anticipated that his thoughts that day would change the way in which people camped for generations to come.

Frustrated by the alternatives available, he set about creating a revolutionary refillable cylinder; compact and convenient, economic and easy to use. The Campingaz® brand was born...and life outdoors was liberated.

From the beach to the campsite, or from the garden to the hills, Campingaz® innovations have changed the blueprint for outdoor cooking and adventure, each decade introducing revolutionary innovations.

With over 70 years as a leader in outdoor gas and gas appliances and 70 years experience as the Outdoor Cooking Expert™, Campingaz has created reliable products that also form lasting memories.

2012 Planchas	2014 Barbecue Relaunch	2017 Master Series	2021 New Barbecue Range
			

# *The simple pleasures are the best.*

**The flavour of food cooked outdoors. The warm glow of evenings by lantern light. These are the moments, the memories and the feelings that inspire us at Campingaz<sup>®</sup>, and have done for over 70 years.**

Since 1949 we've enhanced people's experience of the outdoors, becoming part of their life. We continue to innovate and inspire our versatile products that suit all your outdoor needs or wherever your adventurous spirit takes you. All our products are designed with one aim in mind: to make outdoor freedom accessible to everyone.

Today we still believe in that combination of practicality and inspiration – whether in your own back garden, on a beach or camping far from home. We continue to innovate because we know there are always smarter ways to do things, but we retain the classic solutions you know and love.

Plancha cooking for utmost versatility in food preparation outdoors.

**Plancha Blue Flame LX**

**Plancha L**

**Plancha Trolley Deluxe**

The background image shows a woman with curly blonde hair, wearing a white t-shirt, smiling and looking towards the right. She is standing on a wooden deck. In the foreground, a barbecue grill is visible with a skewer of food cooking on it. Other people are partially visible in the background, including a woman with dark hair and another person with a tattoo on their arm. The setting is outdoors with trees and a grassy area in the background.

## SERIES BARBECUES

Cook up a feast for family and friends with our brand new barbecues. Featuring efficient and high-performance stainless steel burners with our efficient Blue Flame Power System that ensures significantly less flare-ups by design and keeps your food nice and juicy. Together with a large, enamelled cooking surface these barbecues are perfect for preparing a wide range of al fresco meals. The included Campingaz® Culinary Modular System provides keen grillers with even greater cooking versatility. Cleaning is quick and hassle-free thanks to the Campingaz InstaClean™ Aqua System. Our Campingaz® Series Barbecue range make for the perfect companion: Either for hungry families as a 4 Burner or for everyone who loves high quality barbecue as a space efficient 3 Burner.

## BLUE FLAME POWER SYSTEM

**Significantly less flare-ups by design!**

The Blue Flame power system by Campingaz® offers accelerated pre-heating, optimal heat distribution and significantly less flare-ups by design.

The distinctive shaped burner cleverly distributes flames under the entire grilling surface offering a perfectly even heat distribution. The burner protection is integrated into the cast iron grids removing the burner protection layer below the cooking surface. Hot grease and juices are thereby prevented from collecting and causing dangerous flames in the fire box. Water from the InstaClean™ Aqua further assists in keeping undesirable combustion in check.

The stainless steel burners of the Blue Flame power system come with a 5 year warranty.

The improved Campingaz® Blue Flame power system; durable, powerful and efficient burners for the perfect sizzle!

Campingaz® Blue Flame power system

Less flare-ups by design

Keep it juicy  
AND crispy!

## INSTACLEAN™ AQUA SYSTEM

# No more scrubbing!

### Effortless cleaning thanks to InstaClean™ Aqua System.

We love to grill – but cleaning is always a pain. Good news: Our Campinggaz® InstaClean system just got even better.

Integrated in our Series barbecues, the clever and effortless Campinggaz® InstaClean Aqua technology harnesses the power of water to make cleaning a piece of cake.

Water is filled into the front-loading grease drawers, preventing all residual grease and food waste, from baking into the material. Similarly, the small amount of resulting evaporation during your grilling session, also works as a grease repellent, preventing grease and grime from burning into the firebox materials. When it's time to clean, thanks to this clever system, you can remove the greasy grill parts and simply wash them off. No scrubbing required!

The waste water in the grease drawer can simply be drained by removing a plug. Premium and Onyx models come fitted with a waste water container including a removable filter to separate dense grease, making waste water disposal even more convenient.

Quick, effortless and squeaky clean!

## CAMPINGGAZ® CULINARY MODULARS

**Unleash your grilling creativity with prolonged cooking versatility**

**Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!**

Simply take out the inner ring of the cast iron modular, or remove/reverse the adjacent griddle and insert one of the various Campingaz® Culinary Modular Barbecue Accessories. (items sold separately)

The Campingaz® Culinary Modulares offer every option your gourmet barbecue heart desires.

Culinary Modular System integrated in all Campingaz Master, Onyx, Premium and Select models. System integration can vary on Classic range.

A photograph of a family of four (a woman, a man, and two children) sitting around a wooden picnic table outdoors. They are smiling and looking at each other. The woman is leaning over the table, and the man is holding a corn on the cob. The background shows a large tree and green foliage.

## CLASSIC SERIES

Cook up a feast for family and friends with our Classic Series barbecues. Featuring efficient and high-performance stainless steel tube burners together with a large, enamelled cooking surface these barbecues are perfect for preparing a wide range of al fresco meals. The included (EXS and LXS) or optional addition (LS and L) of The Campingaz® Culinary Modulares provide keen grillers with even greater cooking versatility. While the Even Temp™ Technology offers perfectly even heat distribution. Cleaning is quick and hassle-free thanks to the Campingaz InstaClean™ System.

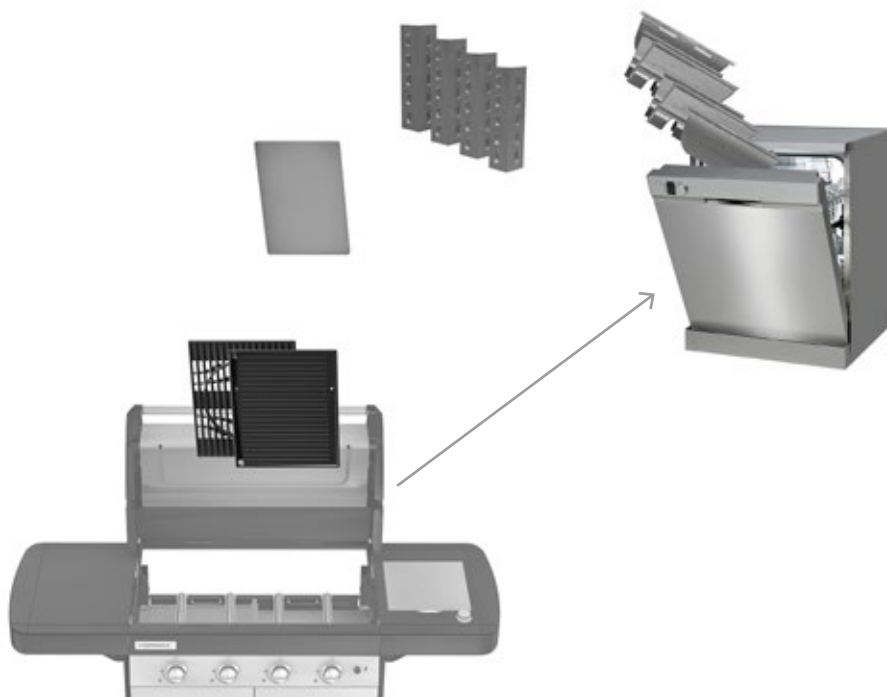

## INSTACLEAN™ SYSTEM

---

**Discover the ease of BBQ cleaning**  
with the Campingaz InstaClean™ System

### **Quick and simple!** **Let your dishwasher do the work!**

The system allows you to remove all dishwasher safe parts in less than 60 seconds. The dishwasher will help remove remaining oil and grease.

All parts are designed to fit a standard dishwasher for even easier cleaning

This system is featured on 3 and 4 Series barbecues.

Now it's also available as an accessory - Renew your firebox !

The improved Campingaz InstaClean™ System is on all our Master Series barbecues.

## EVEN TEMP™ TECHNOLOGY

---

### Even Temp™ Technology Guarantees Even Heat Distribution

### Grill effectively and efficiently with our Even Temp™ Technology for perfectly even heat distribution

Campingaz® BBQs with Even Temp™ Technology cook your food evenly across the entire cooking surface of your barbecue.

Thanks to the patented Even Temp™ Technology, Campingaz® barbecues reach more than 250°C on the cooking surface.

This system is featured on all Master Series, RBS™ Series, 4 & 3 Series, Attitude Barbecues, and Master Plancha and Blue Flame Planchas

# CAMPINGGAZ® CULINARY MODULARS

**Versatile cooking and grilling options** are quick and convenient with Campingaz® Culinary Modulares

## Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!

Simply take out the inner ring of the cast iron modular, or remove / reverse the adjacent griddle and insert one of the various Campingaz® Culinary Modular Barbecue Accessories. (items sold separately)

The Campingaz® Culinary Modulares offer every option your gourmet barbecue heart desires.

**Cast Iron Culinary Modular Grid included on the following models: all Master Series BBQs, all Premium and Select models, all 3 and 4 Series LS Plus models**

**Cast Iron Culinary Modular Grid available as an upgrade and replacement for all 3 and 4 Series models and Master Series BBQs**

## STAINLESS STEEL TUBE BURNERS

---

**Powerful and durable stainless steel burners** for long lasting grilling dinners!

All Campingaz® 4/3/2 Series barbecues have a 3 year warranty on stainless steel tube burners

**Enjoy great cooking performance with this smart burner system designed to perfectly grill all types of foods.**

Specially designed burners create V-shaped flames that are directed towards the cooking grid and spread the heat evenly across the cooking surface.

The specifically designed burner protector, with protected ventilation slots, supports even heat distribution and prevents flare-ups.

Foldable Side Table

The background image shows a woman with her hair in a bun, wearing a blue and white striped shirt, holding a plate of food. In the background, a blurred image of a Campingaz barbecue grill is visible, surrounded by greenery and purple flowers. The overall scene is set outdoors, likely at a campsite or a garden.

# ATTITUDE

The Campingaz® Attitude range of table top barbecues pairs sleek, urban styling with pioneering precision cooking, all within a compact, portable package. The Campingaz® Attitude 2go brings BBQ pleasures to all who want to stay flexible.

Intuitively designed for effortless barbecuing, you benefit from even heat distribution thanks to the Campingaz® Blue Flame burner system, a revolutionary digital temperature display for precise heat management and one-touch InstaStart™ ignition (on Attitude 2100 EX models).

The elegant lid of our Attitude 2100 models, opens to reveal a split cast iron grid and griddle, while the Culinary Modular Accessories allow you to unleash your cooking creativity with options from pizza to paella. When you're done, InstaClean™ ensures cleaning couldn't be easier - parts just pop in the dishwasher.

## **CAMPINGAZ® CULINARY MODULARS**

# **Campingaz® Culinary Modulares One System, Endless Possibilities!**

## **Redefine urban outdoor cooking with Campingaz® Culinary Modular accessories and the Campingaz® Attitude!**

Simply take out the inner ring of the cast iron modular and insert one of the various Campingaz® Culinary Modular Barbecue Accessories. (items sold separately - not compatible with Campingaz® Wok)

Cast Iron Culinary Modular Grid included on the Attitude 2100 LX and EX models.

## EVEN TEMP™ TECHNOLOGY

---

### Even Temp™ Technology Guarantees Even Heat Distribution

### Grill effectively and efficiently with our Even Temp™ Technology for perfectly even heat distribution

Campingaz® BBQs with Even Temp™ Technology cook your food evenly across the entire cooking surface of your barbecue.

Thanks to the patented Even Temp™ Technology, Campingaz® barbecues reach more than 250°C of the cooking surface.

This system is featured on all Master Series, 4 & 3 Series, Attitude Barbecues, and Master Plancha and Blue Flame Planchas

# ATTITUDE

## Attitude 2100 EX

2000035661

**Perfectly even heat distribution** enabled by durable Campinggaz® Blue Flame burner system

**Pre-assembled** table top grill – no screwdriver required!

Number of people that can be comfortably served per grilling session

10 year warranty on the die cast aluminium lid and stainless steel burners (only on the Attitude 2100 EX)

No screwdriver required. All Attitude grills come completely pre-assembled.

\*Depending on model

The background of the entire page is a close-up photograph of food being cooked on a plancha. Several large, succulent shrimp are arranged in a row, their shells a vibrant orange-red color. Interspersed among the shrimp are slices of red onion, which appear to be cooking and softening. The plancha itself is a dark, flat surface, and the overall lighting is warm, highlighting the textures and colors of the ingredients.

## **PLANCHA COOKING**

Some of the healthiest and tastiest foods are styled after Mediterranean cuisine, a mix of southern European flavors from Greece, Spain, Italy, and France. Campingaz® planchas are designed in France and manufactured in Italy- two countries that understand that delicious food is also paired well with the enjoyment of cuisine.

## PLANCHA COOKING

With 300° to 350° Celsius, the Campingaz® plancha offers an optimum temperature range, especially for steaks, in which the hot plate caramelizes the sugars of the meat and ensures full-bodied roasted aromas. Excessive grease and liquids are transformed into pearls from intense heat and run off into a collecting container, and you'll find that the ingredients are actually roasted and not cooked. In addition to meat and fish, seafood or Julienne prepared vegetables and poultry are a characteristic example of the variety à la plancha is able to cook. The enamelled cast iron surface makes sauteing marinades or sauces effortless. Even alcohol, could be poured over to flambé, there are no limits here to à la plancha.

## Patented Blue Flame Burners Plancha Series

The patented Blue Flame Burners of the Campingaz® Planchas delivers exceptional even heat distribution. The

wide, blue flame burners sit right below the griddle to provide the right cooking temperature across the entire cooking surface. This ingenious Even Temp™ Technology provides the optimum surface temperature for perfect plancha cooking. The patented Blue Flame Burners on all Campingaz® Master Series Planchas are guaranteed for 10 years.

## Quick Cleaning in 4 Easy Steps

Pour water over the warm surface. Ice cubes not recommended

Scrap debris into drain hole

Remove contents from dishwasher-safe grease cup

Once the surface is slightly cool, wipe with damp cloth

## BLUE FLAME PLANCHA

Enjoy incredible cooking versatility with our sleek and stylish patented Blue Flame Plancha line from Campingaz®. Available in both stand alone and table top models, the Plancha Line features patented Blue Flame Burners to deliver exceptional even heat distribution with Even Temp™ Technology. Perfect for creating a wide range of different dishes, the Plancha range is perfect for families or groups who want to enjoy eating outdoors without compromising on variety.

CAMPINGAZ®

# Barbecue Accessories

Improve your grilling experience from cooking to cleaning, with our recommended accessories.

Easily upgrade your barbecue with our Culinary Modulares and transform traditional grilling into a discovery of new flavors.

## OUR COOKING SURFACES

Campinggaz® cooking surfaces are engineered to provide you with all the tools needed for successfully cooking any recipe on our barbecues.

From grids to griddles that protect the grilled food from direct exposure to flames and even heat distribution. You'll find that cooking, grilling, or even baking are possible with Campinggaz's™ multiple cooking surfaces.

**Grid:** Steaks, sausages or larger pieces of meat should be grilled on a grid. Especially, if you want to achieve the characteristic BBQ grid pattern.

**Griddle:** The griddle is mainly used for delicate grill items, such as fish, vegetables, fruits or strips of meat. A griddle protects the grill items from direct exposure to flames and distributes heat more evenly. Most of our cast iron griddles are reversible and have a flat and ridged side for multiple cooking options.

**Warming Rack:** Different foods take different lengths of time to cook. A warming rack is a smaller second grill that's positioned above the main grill. The warming rack can keep food that has already been cooked hot without cooking it further allowing other slower-cooking food to catch up. It can also be used as an additional grilling surface when using the barbecue like an oven for dishes such as stuffed tomatoes or baked potatoes.

**Plancha:** Plancha-style embraces low-fat, high-heat cooking on a flat surface for delicious and easy-made dishes in a southern European flair. Grill a steak to perfection with an accompanied sautéed sauce. Or cook some Huevos Rotos con tortas at your next dinner party, followed by caramelized bananas. Cleaning is simple on our enamelled cast iron griddle.

**Twin Plancha:** For everyone who loves the flair of the southern kitchen, combined with the advantages of our griddle. This lifts your food above the grease that can drip down and flow into the grease evacuation channel. For our Planchas only.

## OUR COOKING MATERIALS

Campingaz® surface materials are engineered and tested to resist corrosion. In addition the materials used play a direct role in heat conduction and heat accumulation for even temperature distribution.

**Chromed Wire:** This material is often used for warming racks. The grids are very light but need special care as grill residues might burn into the material. Generally, chromed grids are dishwasher-safe, but we recommend a manual pre-cleaning with washing-up liquid and a sponge.

**Enamelled Wire:** Used on Xpert models and as warming rack in the Master Series. Compared to chromed wire grids, the Enamelled surface is easier to clean and protects the chrome. The grids are dishwasher-safe, but can also easily be cleaned with a sponge and detergent.

**Enamelled Stamped Steel Cooking Surfaces:** These cooking surfaces are lightweight, easy to handle and easy to clean. The enamelling prevents residue from burning into the material and sticking to the cooking surface. They are dishwasher-safe, but can also be easily cleaned with a sponge and detergent.

**Enamelled Cast Iron:** Enamelled cast iron grids and griddles conduct heat more intensively and sustainably than other materials. The pre-heating time of barbecues with cast iron cooking surfaces is slightly longer due to the thickness of the grids and griddles. The cast iron cooking surfaces are porcelain enamelled, protecting the cooking surface material from corrosion. They are produced in either a shiny/glossy look or in a textured, matte appearance. Grilled food doesn't stick as easily to the surface which aids cleaning and extends the lifetime of the cooking surface. We recommend to oil the cooking surface, regardless of the material, to avoid food from sticking to the surface.

**Stainless Steel:** A stainless steel plancha griddle sears meat perfectly and is a dependable and even cooking material that retains flavour. Durable stainless steel resists oxidation and rust. It's easy to clean without any residue breakdown over time. Simply pour some water on the warm surface and scrape food residue with a plancha spatula toward the residue hole, then wipe with a damp cloth.

All Campingaz® materials for cooking surfaces are certified to be used with food according to the EN 1935/2004. Additionally they have all passed a sensorial check to make sure that the material does not impact the taste of your recipe.

# CAMPINGAZ® CULINARY MODULAR BARBECUE ACCESSORIES

Along with the Culinary Modular Cast Iron Grid, you have the ability to use all Culinary Modular cooking inserts listed below. Simply remove the inner ring for use with the Pizza Stone, Wok, Poultry Roaster, Paella Pan. Please see page 62 for more information.

**Culinary Modular Pizza Stone and Pizza Cutter**

Ref: 2000014582 EAN: 3138522069711

**Compatible with Campingaz® Culinary Modular System.** Serve up a pizza at your next barbecue! Simply roll the pizza dough onto the stainless steel plate & transfer to the ceramic pizza stone insert over the grill. Grill with lid closed for a perfect result! Please see page 10 & 13 for more information.

**Culinary Modular Paella**

Ref: 2000015104 EAN: 3138522071301

**Compatible with Campingaz® Culinary Modular System.** The stainless steel, non-stick coated modular Paella pan fits directly into your cast-iron grid to ensure that heat is distributed evenly. Please see page 10 & 13 for more information.

**Culinary Modular Poultry Roaster**

Ref: 2000014576 EAN: 3138522069650

**Compatible with Campingaz® Culinary Modular System.** Simply fill the inner compartment with your favorite cooking liquid: beer, wine, broth, or any combination of oils and seasoning and place poultry directly on top of the cylinder. Please see page 10 & 13 for more information.

# Barbecues & Planchas

## Culinary Modular Cast Iron Wok

Ref: 2000036961

EAN: 3138522118013

**Compatible with Campingaz® Culinary Modular System.** Sturdy cast iron Wok, perfect for Asian dishes made directly on the grill.

## Culinary Modular Mandarin Wok

Ref: 2000038449

EAN: 3138522122720

**Compatible with Campingaz® Culinary Modular System.** Carbon steel wok with non-stick coating, perfect for Asian dishes made directly on the grill. Please see page 10 & 13 for more information.

All Campingaz® materials for cooking surfaces are certified to be used with food according to the EN 1935/2004. Additionally they have all passed a sensorial check to make sure that the material does not impact the taste of your recipe.

## Culinary Modular Cast Iron Roasting Skillet

Ref: 2000035416

EAN: 3138522113919

The cast iron skillet with integrated stainless steel rack offers an endless variety of uses. Roast larger pieces of meat or even an entire chicken, or remove the rack and make a casserole or crumble.

The skillet has deep walls to minimise cooking splashes and encloses juices for making sauces, while two spouts on the sides allow for drip-free pours. Large easy-grip handles, offer extra stability when lifting a full pan. Please see page 10 & 13 for more information.

## Culinary Modular Matt Grid

Ref: 2000031300

EAN: 3138522097561

**For use on Master Series and 3&4 Series Classic barbecues (except RBS™ models)**

Upgrade your barbecue with this Matt Culinary Modular Grid and Insert to grill either a pizza, a stir fry, or paella. Just remove the insert and cook with our Culinary Modulares. Made of cast-iron, it is an ideal cooking surface for multiple grilling styles.

# CAMPINGAZ® CULINARY MODULAR BARBECUE ACCESSORIES

Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!

**Premium Rotisserie Kit**

Ref: 2000036962 EAN: 3138522118020

**Compatible with all Campingaz® 3&4 burner barbecues (excl. Adelaide & 4 Series RBS)**

Kit composed of 1 electric motor, 1 spit, and two double forks. The heavy duty kit is dedicated to rotisserie cooking lovers. Its heavy duty spit and forks support a weight up to 3 kilograms!

**Plancha Accessory for Barbecue**

Ref: 2000031424 EAN: 3138522098292

**For use on Master Series and 3&4 Series Classic barbecues. Do not use in combination with a griddle surface. Not compatible with RBS™ barbecue**

Plancha or barbecue? Now you can have both! Designed by Campingaz® engineers, our plancha cooking surface is made of shiny cast iron and fits perfectly on our barbecues. The raised edges assist in easily turning your food, while experiencing "à la plancha" cooking style. For use on Master Series and 3&4 Series Classic barbecues. Should be placed on left side of barbecue. Do not use in combination with a griddle surface.

**Grid Lifter**

Ref: 2000037057 EAN: 3138522118259

A handy helper to lift your Campingaz® Culinary Modular grids.

## COOKING UTENSILS

Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!

**Premium Barbecue Stainless Steel Tongs**

Ref: 2000014567 EAN: 3138522069568

The long handles of the tongs ensure you won't get any nasty burns and the serrated ends ensure a good grip while you easily and effortlessly turn food.

**Genuine Lava Rocks**

Ref: 205637 EAN: 3138522056377

- Replacement pack
- Natural product with a porous surface
- Sufficient for a 1500cm<sup>2</sup> cooking surface

## BARBECUE GRIDS & BASKETS

Grilling multiple burgers, sausages or fish at the same time? Simplify rotating food and avoid singed arms with these handy grids and baskets.

**Rectangular Single Grid Basket**

Ref: 205704 53x39cm EAN: 3138522057046  
Chrome plated double grid with wooden handles.

**Double Grid Basket**

Ref: 205689 35x25 cm EAN:3138522056896  
Ref: 205703 40x29cm EAN:3138522057039  
Ref: 205702 48x27.5cm EAN:3138522057022  
Chrome plated grid with wooden handle.

**Round Double Grid Basket**

Ref: 205817 Ø40cm EAN: 3138522058173  
Chrome plated double grid with wooden handle.

## UPGRADES AND REPLACEMENTS

Benefit from Campingaz<sup>®</sup>'s barbecue upgrades and replacement burner covers, grids, and InstaClean<sup>™</sup> kits to bring new life into your loved barbecue.

### Campingaz<sup>®</sup> Enamelled Protective Replacement Burner Covers - Set of 2

Ref: 2000033785

EAN: 3138522108885

Want to convert or simply replace your old burner protectors? Protect your burners with two burner covers made from enamelled steel when you replace your griddle with a Campingaz<sup>®</sup> Culinary Modular grid.

\*Grid sold separately

## CLEANING ACCESSORIES

The Campingaz® brand also offers a range of barbecue brushes as well as a cleaner spray to keep your barbecue as good as new.

**Barbecue Cleaning Spray**

**Ref: 205643**

EAN: 3138522056438

Get your barbecue clean and ready-to-use with the Campingaz® biodegradable spray. Spray the cooking surface, leave for approximately 5 minutes and rinse with clean water.

**3 in 1 Brush**

**Ref: 2000032608**

EAN: 3138522104078

One brush for three actions: scraping off grease with the metal scraper, rubbing away sticky food with the abrasive nylon pad and cleaning between the grill grates with the strong, brass bristled brush. Sold in 18 piece PDQ

**Triangle Cleaning Brush**

**Ref: 2000032369**

EAN: 3138522103125

Stainless Steel brush with a plastic handle. Cover a larger surface of the grid compared to our classic brush. Total length: 32 cm

## MASTER COVERS

Protect your Master Series Planchas from the rain, wind and sun with the Master Plancha Cover. The treated waterproof cover will ensure your barbecue won't rust, fade or become damaged while not in use and can be secured with a tie for secure fitting.

### Master Plancha Cover

**Dimensions: 66 x 51 x 21 cm**

**Ref: 2000030866**

EAN: 3138522096663

Covers designed to fit the Campingaz<sup>®</sup> Master and Blue Flame Planchas. Perfect for protection against the sun, the rain and the cold. Designed to fit the Master Plancha L, LX and EX.

- Material: PU-coated polyester 300 x 300 D
- Ties and cord locks for secure fitting

### Master Cover

**Dimensions: 165/147 x 63 x 126 cm**

**Ref: 2000030864**

EAN: 3138522096649

Extendable cover designed to perfectly fit all Campingaz<sup>®</sup> Master Series barbecues, ensuring year-round weather-protection.

- Material: PU-coated polyester 300 x 300 D
- Strap system to secure the cover to the barbecue

## PREMIUM BARBECUE COVERS

These covers don't just keep the rain out, they force condensation out too, using our water-resistant, breathable technology. Combine that with an included storage bag, and you've got a compact, unobtrusive and highly effective range of covers.

### XXL Cover

**Dimensions: 171 x 62 x 106 cm**

**Ref: 2000037293**

EAN: 3138522090012

CAMPINGAZ®

# Cartridges & Cylinders

Energy for your outdoor-living! Powerful & convenient.

From lightweight stoves on backpacking adventures to powerful cookers at your favourite campsite; from gardening equipment to your hobby or DIY devices; our cartridges and cylinders are your source of energy. Easy to handle, safe and efficient!

## WHY YOU CAN RELY ON CAMPINGAZ®

---

Campingaz® is one of the European pioneers when it comes to portable energy solutions. Since 1949 Campingaz® branded products enable people to enjoy living and cooking outdoors.

### The Campingaz® R cylinders

- 100% Butane- consistently high quality
- Offered in 3 different sizes (0.4kg, 1.8kg, 2.75kg)
- Campingaz® cylinders are available and can be exchanged all over Europe and beyond
- Each cylinder is sophisticatedly maintained with each refill, with a primary concern for product safety
- 100% made and quality controlled in Europe

### The Campingaz® cartridges

- Available as Butane and Butane/Propane blend
- Available as a pierceable cartridge with innovative Gas Lock system (as of 2014)
- 100% quality controlled in Europe
- Available with the patented Easy Clic™ Plus valve system for utmost consumer comfort
- Dedicated cartridge solutions for distinct products like table top stoves and DIY tools
- Available all over Europe and beyond

**With Campingaz® you never run out of gas!**

## QUICK FACTS ABOUT THE DIFFERENT FORMS OF GAS...

---

The main difference between propane and butane is that propane is a three carbon alkane, consisting of three carbon atoms and eight hydrogen atoms, while butane is a four carbon alkane, with four carbon atoms and ten hydrogen atoms. Put simply, they stem from the same structures and differ only slightly.

Propane can be used and will perform at much lower temperatures than butane. It is a high pressure gas and therefore, has a higher performance than butane.

As butane pressure is lower in comparison to that of propane, the outer walls of butane cartridges need to be less robust than those of propane containers. Therefore, butane cartridges are lighter and can be stored more easily. Regulations on butane vs propane are also less restrictive and therefore it is an easier gas to transport.

All Campingaz® cartridges are either completely filled with butane, or some contain a butane and propane mix. The added 20% of propane to the 80% butane in the Campingaz® Valve Cartridges for instance, ensures a stronger performance as well as the possibility of ignition at lower temperatures whilst benefitting from the advantages of butane gas.

## CHOOSE THE RIGHT GAS...

---

### Refillable cylinders

Intended for regular use or for extended operating times. Available Europe-wide.

### Valve cartridges

Featuring a self-sealing valve, they can be disconnected and reconnected even when not empty!

### Pierceable cartridges

Economical single use cartridges that cannot be disconnected from a product until the cartridge is empty.

## 2 SECURE CONNECTION TYPES

---

### Easy Clic™ Plus, an even more convenient system made for valve cartridges – simply rotate 45° to get connected!

The Easy Clic™ Plus connection is the most simple and technically sophisticated connection which allows the fixing of a valve cartridge on a stove or on a lantern with a simple 45° rotation.

#### 1- Fix

Applying a small amount of pressure on the device with the cartridge is enough

#### 2- Turn

Apply a 45° left turn on the device and you're connected!

### Screw in system for the cylinder connection

1- **Insert** the device in the valve head of the cylinder

2- **Turn** right to screw it in and connect, turn left to unscrew

## REFILLABLE CYLINDERS

These bigger, heavier cylinders are designed for more prolonged, intensive or regular use. They are fitted with a safety valve and are available Europe-wide.

### Exchange your cylinder

With the Campingaz® cylinder exchange system, you can bring your empty cylinder to a Campingaz® product retailer in France, UK, Germany, Italy, Spain, Benelux (and dozens of other countries), and get a full cylinder for the price of just the refill. It's as simple as that.

#### R901

- Contains 0.4kg Butane
- Size (without cap) ø 11 x 15 cm
- Weight: 1.40kg

Ref: 30408\*  
EAN: 3138520061694

#### R904

- Contains 1.8kg Butane
- Size (without cap) ø 20 x 14.5 cm
- Weight: 4.81kg

Ref: 30409\*  
EAN: 3138520061700

#### R907

- Contains 2.75 kg Butane
- Size (without cap) ø 20.3 x 23.5 cm
- Weight: 6.46kg

Ref: 30410\*  
EAN: 3138520061717

\* References for empty cylinder. Please contact local distributor for further information on gas cylinders.

## VALVE CARTRIDGES

Our range of valve cartridges have a high security self-sealing valve giving them all the advantages of being resealable – so they can be disconnected and reconnected even when they're not empty. Ideal for periodic, moderate use.

### Butane/Propane mix

Recommended for better performance at low temperatures.

#### CV300 Plus

- Contains 240g Butane/Propane mix (80/20)
- Size (without cap) ø 9 x 10.5 cm
- Weight: 410 g

Ref: 300005758  
EAN: 3138522109301

#### CV470 Plus

- Contains 450g Butane/Propane mix (80/20)
- Size (without cap) ø 11 x 14 cm
- Weight: 710 g

Ref: 300005761  
EAN: 3138522109332

#### CP250

For Bistro™ type stoves.

- contains 220g of Butane/Isobutane mix
- Size (without cap) ø 6.9 x 18 cm
- Weight: 315 g

Ref: 2000033971  
EAN: 3138522109271

#### CV360

Compact cartridge used for DIY purposes

- Contains 52g Butane
- Size (without cap) ø 3.8 x 14.1 cm
- Weight: 110 g

Ref: 39350  
EAN: 3138520193128

#### CG3500 GA

Garden gas for garden torches

- Contains 350g Butane/Propane mix (70/30)
- Size (without cap) ø 6.8 x 25.7 cm
- Weight: 520 g

Ref: 300005833  
EAN: 3138522088781

## PIERCEABLE CARTRIDGES

Pierceable cartridges can't be disconnected once they've been plugged into an appliance, so they're suitable for more intensive or longer use – they're also our most economical and widely available cartridges.

### C206 GLS

The cartridge has an integrated leakage limiter, the Gas Lock System, which is compliant to the European standard EN 417:2012 legislation. The system prevents the majority of residual gas from escaping the cartridge when accidentally disconnecting it from the appliance, thereby also preventing flare-ups.

### C206 GLS

- Contains 190g Butane or Butane/Propane mix (80/20)
- Size (without cap) ø 9 x 9.5 cm
- Weight: 280 g

**Ref: 3000005772 - Butane/Propane mix**  
EAN: 3138522109448

### Cartridges CV470+ 4pack Duolabel

- Contains 4x CV470
  - Size: 22.8 x 22.4 x 14.5 cm
  - Weight: 2.68kg
- Include packaging picture

**Ref: 3000006258**  
EAN: 3138522117115

## EXCHANGE YOUR CYLINDER

### What to do with a refillable cylinder when it is empty?

#### The 3 different gas cylinder recycling models:

##### 1/ The common model

A deposit is left when you purchase your first cylinder of gas. Part of this deposit is received back when you return it to a retailer of gas. This model is usually limited to the national territory. For example, generally a French returnable cylinder cannot be exchanged in another country.

##### 2/ The Campingaz® model

The Campingaz® refillable cylinder model that has been used for more than 60 years is different; when you purchase a gas cylinder you become the owner of this cylinder. You can exchange your empty cylinder for a full cylinder whenever you want and wherever you go, even abroad. This exchange model for empty cylinder, with which you only purchase the actual bottle once, gives you more flexibility. All information about this system is printed on the top of each cylinder.

##### 3/ Recycling returnable cylinders

If you don't need to use your cylinder anymore, you can return it to a retailer or a recycling centre. They will be accepted free of charge.

All returned cylinders are brought back to the factory where they were initially filled, where they are repaired and given a second life if their condition allows it. If it is not the case, they will be recycled.

This initiative is aligned with the Campingaz® value for environmental and sustainable development.

## Choose the European Leader in Gas Distribution!

- Campinggaz® energy solutions are available throughout Europe and beyond.
- No need to switch your gas source during vacation! You'll save money by not needing to purchase hoses, regulators, or new appliances to comply with the local standard.
- Our refillable cylinders can be exchanged at any Campinggaz® retailer throughout Europe, without needing to buy a new one.
- To find up-to-date store locations and availability please visit our gas finder at [Campinggaz.com/gasfinder](https://Campinggaz.com/gasfinder)

Cartridge and Cylinder Assortment may vary

CAMPINGAZ®

# Food Preparation

Whether you're on the side of a mountain or out on a family trip, we've got everything you need for a meal on the go.

Make more out of a meal with our wide range of innovative stoves. All grills and stoves are supported by our globally available range of gas cartridges and cylinders. Whichever you choose, you can be sure that they're reliable, safe and practical.

## MULTI-COOKING OPTIONS

### The Campingaz® cooking world – a world of multi-cooking options!

Whether camping with family and friends, for long or short periods, for a day on the beach or a simple picnic in a park, Campingaz® offers a wide range of portable stoves that enable all cooking possibilities. There is no need to compromise, even when outdoors, you have all the options to prepare your favourite meals, like at home.

Why not prepare an English breakfast with beans, sausages and toast? Or perhaps grill some fresh fish whilst cooking some pasta? Alternatively, you may prefer to bake a pizza? All these tasty dishes are possible with the Campingaz® gas stove range.

#### Cooking

#### Grilling

#### Toasting

#### Spit style roasting

## CHOOSE THE RIGHT STOVE...

---

**Make sure you choose the right stove for your needs.**

### 1. Cartridge or cylinder?

Cylinder stoves are designed to run for much longer and produce more power for intensive use. Refillable cylinders are heavy and not very practical if you're going hiking. For portability, a cartridge stove is the way to go! Each of our two burner cylinder stoves can run off either Campingaz® R904/907 gas cylinders or any standard butane or propane 6kg gas cylinder.

### 2. Single or multi-burner?

A single-burner stove is lighter and more compact but only allows you to cook one thing at a time. Two burner stoves give you more options for your cooking and often come with a stand but can be a little less handy and more heavy than a single-burner stove.

### 3. Burner and grill?

Ask yourself what kind of cooking you would like to do. If you intend on mainly making a cup of tea or heating baked beans, one burner may be enough. If you want to cook a full breakfast, consider a burner and grill combination.

## XCELERATE™ TECHNOLOGY

Campingaz<sup>®</sup> presents another innovation in camping stove technology .

**Cut your boil time in half** with **Xcelerate™ Technology**. The combination of the Xcelerate™ burner and wind blocking pan supports provides the ultimate wind resistance for your gas stove flame, reducing gas consumption and the time you spend cooking, giving you more time for recreation in the outdoors.

### Xcelerate™ Burner

The patented burner technology features a lower, more wind resistant, higher performance flame that produces results unmatched by regular burners.

Downward “stepped” design and increased heating surface area.

### WindBlock™ Pan Support

The patented pan support technology creates a barrier around the burner that provides superior wind deflection.

Wind is redirected and cannot enter the cooking area.

**XCELERATE**<sup>®</sup>  
Technology

## CUT YOUR BOIL TIME IN HALF!

**XCELERATE**<sup>®</sup>  
Technology

Wind speed	Boil time using 200mm pot	Gas consumption in g per hour
3 m/s	10 mins	200 mm 26 g
	20 mins	57 g
1 m/s	7 mins	200 mm 18 g
	8 mins	23 g

*Tested in a laboratory according to internal standards.*

## XCELERATE™ SERIES

The portable 2-burner stove line from Campingaz® combines a sleek design and innovative technology for a drastically improved cooking performance. Enjoy a large range of outdoor cooking options: cook, grill and toast with fast and safe devices. Easy to start with a piezo ignition. Next to our table-top solutions, the 600-SG has telescopic legs that increase comfort when cooking. When dismantled it can be easily stored away underneath the stove, so that this stove can be effortlessly carried everywhere.

Sturdy painted steel lid with chromed handle

Powerful burners at 4400W with Xcelerate™ technology, ensure that outdoor boiling times are twice as fast as other stoves

Strong side tables to increase cooking convenience

Resilient and easy to store textile tray, ideal for storing light accessories and utensils

Telescopic legs, easy to assemble/disassemble and easy to store

**600 SG**  
2000015086

## MAIN FEATURES

2 Xcelerate™ burners

Double option of grilling and cooking on the 600 SG

Completely foldable for easy transportation

Piezo ignition

Convenient carry handle

## MAIN FEATURES

Non-stick cooking surface

Water compartment to collect the grease and fat ensuring easy cleaning

Fully adjustable power

Folds into compact size for easy transportation

Integrated EasyClic™ Plus system for easy connection and disconnection of cartridge

## VALVE CARTRIDGE STOVES

Stoves that operate off Campingaz® valve cartridges CV300 Plus and CV470 Plus can easily be disconnected and reconnected even when they are not completely empty, which is a major advantage for carrying and storage.

### Piezo ignition

Piezo ignition works by releasing a spring-loaded hammer to strike a spark from crystal, while electronic ignition uses a battery-powered circuit. Piezo ignition sometimes requires more than one press of the button.

Wide pan support for large pots and pans

Piezo ignition for a fast and dependable ignition without a match

4 detachable legs ensure better stability and compact storage

Carry bag included

**Bivouac™**

CAMPINGAZ®

# Coolers

Cold, hot, large, small, rigid, soft, electric, traditional, funky, plain... we've got them all.

All our coolers are built to last and offer high performance at great value. Whether you're camping or just out in the countryside for the day, keeping your food and drink chilled is a basic luxury, and with a wide selection available, you'll find the right cooler for all occasions.

## THE RIGHT COOLER...

Whether you are on a campsite, travelling by car or undertaking a spontaneous day trip - the Campingaz® cooler ranges cover all your needs for different occasions, just choose the right one:

**AM** | ANTIMICROBIAL  
LINER  
PROTECTION  
LIMITED TO PRODUCT

### Thermoelectric coolers

Thanks to an integrated cooling system, Thermoelectric coolers offer a longer, excellent performance for your camping holiday and are treated with an antimicrobial liner. They can be plugged into:

- A car cigarette lighter
- A 230Vac via a transformer (integrated or sold separately)

## Hard coolers

The Campingaz® hard coolers are perfect for a weekend trip to keep your food and drinks fresh.

A wide range covers your individual needs and offers performance for your camping holiday:

- Antimicrobial treated lining only on Icetime Plus Extreme coolers
- Excellent insulation
- Superior quality supported by numerous tests

**Freez'Pack™ will increase your cooling performance**

## Soft coolers

A great combination of superior insulation, lightweight textiles and attractive designs for outings and short trips:

- Antimicrobial treated lining on all Tropic and Sand soft cooler ranges
- Easy to carry thanks to its lightness
- Easy storage due to foldable system and flexible shoulder strap
- Easy to clean thanks to seamless inner liner and fabrics used
- Different designs ranging from 'Classic' to 'Fashion' meeting your individual desires

A guide to the new Campingaz® TE and passive cooler ranges

## CAMPINGAZ® THERMOELECTRIC AND HARD-SIDED COOLERS

Campingaz® lineup of stylish & sleek, high performance electric and passive coolers, jam-packed with brand new features from the lid to the base! With the long-standing tradition and heritage for cooling performance from Campingaz®, campers, picnic-goers, and vacationers alike can rest assured their food and drinks will stay cool for the whole journey!

## FOUR MODE ADJUSTABLE COOLING PERFORMANCE

The Campingaz Powerbox™ Plus AC/DC hard cooler features

a control dial with 4 modes, allowing you to choose the performance and efficiency level. The coolers can be turned off by putting the dial on “OFF” mode without the need to unplug the cord.

To reduce the noise level of the fan switch to “NIGHT” mode. The internal fan operates at a 36db level, which is quieter than the suggested night noise level by WHO (World Health Organization)

For an efficient, yet environmental friendly operation, the “ECO” mode can be used, giving an A++ energy rating.

“MAX” mode is available for the ultimate cooling performance.

## THICK, PREMIUM PU HARD COOLER INSULATION

Tests show that cooling loss is significant through the base of coolers.

Campingaz® models feature an increased insulation base and have two integrated, rounded feet providing the perfect amount of space for air to flow.

All Campingaz® hard coolers are constructed with Polyurethane (PU) insulation material, the highest quality insulation material available on the market — utilising more insulation on each of our new coolers than competitors!

Our Icetime™ Plus Extreme coolers are also equipped with a PU-insulated lid for an extra boost of performance.

Prior to assembling, the PU is injected into the casing of the cooler; whereas most competitors use Expanded Polystyrene – EPS which is 20% less effective than our PU insulated coolers.

Increasingly more PU insulation compared to prior and competitor models.

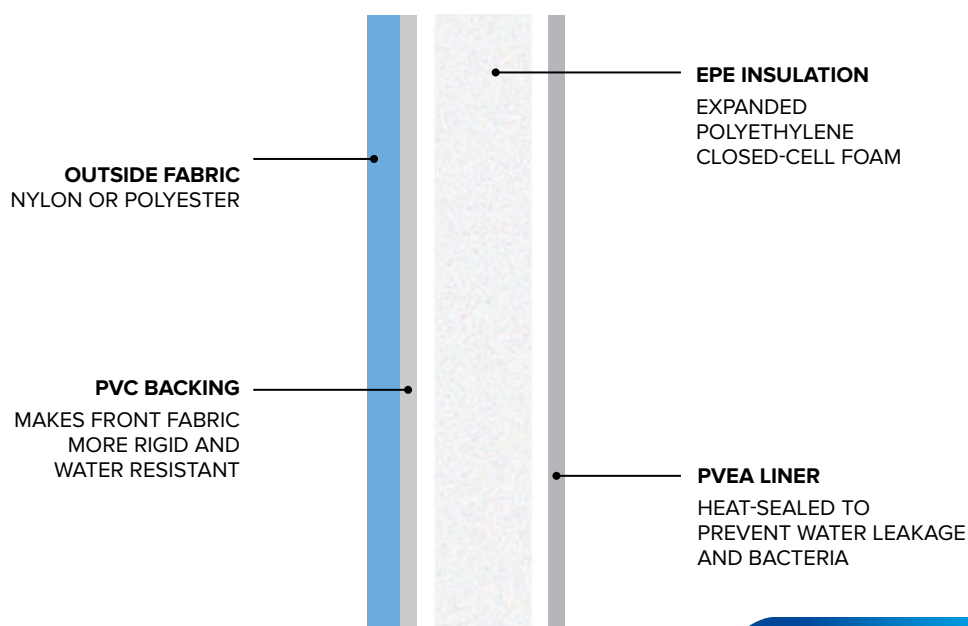

**POWERBOX™ PLUS**

**ICETIME™ PLUS**

## SOFT COOLER INSULATION

## ANTIMICROBIAL LINER

Campingaz® was the first TE cooler on the market to contain an antimicrobial liner which resists the formation of mould, mildew, and unpleasant odours which may develop from bacteria inside a cooler.

Our non-toxic, safe to use, antimicrobial effect is obtained from an additive which is melted down into the plastic before it's moulded into the liner and it's a lifetime treatment. It cannot be scratched off or weakened over time.

**ANTIMICROBIAL  
LINER  
PROTECTION  
LIMITED TO PRODUCT**

## FREEZE GUARD

---

An integrated sensor protects cooler contents from being frozen  
Includes: Powerbox™ Plus 12V/230V

## BATTERY SAVER

---

An electronic chip senses when a car battery does not have enough charge  
start ignition and shuts off power to the TE cooler.

## NEW HINGED LIDS AND WIDE LID OPENING

---

Snug fit handle for convenient storage, wide mouth for easy filling.  
Includes: All new Campingaz® Passive and Electric coolers.

## CLICK 'N LOCK

---

Lid emits clicking sound when closing for reassurance.  
Includes: All new Campingaz® Passive and Electric coolers

## THERMOELECTRIC COOLERS

The Campingaz Powerbox™ Plus AC/DC active cooler range operates off a 12V car plug-in or a 230V electrical outlet (both cables included), combined with the high-performance injected PU foam, the coolers will keep contents at 19°C below the ambient temperature. They feature a control dial with 4 modes, allowing you to choose the performance and efficiency level. The coolers can be turned off by putting the dial on “OFF” mode without the need to unplug the cord. To reduce the noise level of the fan switch to “NIGHT” mode, and for an efficient, yet environmental friendly operation, the “ECO” mode can be used, giving an A++ energy rating. “MAX” mode is available for the ultimate cooling performance. Assembled in Italy.

# THERMOELECTRIC COOLERS

The Campingaz® thermoelectric cooler range is packed with 30% more premium insulation than its predecessor. When plugged into your car or into the main electricity port via a transformer, they keep their contents 20°C below the ambient temperature. The improved and very quiet fan emits a maximum of 39 dB, that won't wake you up at night! The power cord and plug can also be easily removed and conveniently stored inside the cooler during non-use. The 12V easily removable cord can be quickly stored inside the cooler when not in use.

The Campingaz® thermoelectric coolers also have a breakthrough, antimicrobial liner that resists odour, mould and mildew. The antimicrobial additive is injected into the plastic of the liner, meaning it's there for the life of the cooler – it can never be scratched off or removed. With a new and modern shape built from strong and thick polypropylene these coolers stay cool for hours even when unplugged.

Thicker and improved PU insulation

Integrated feet to elevate cooler from ground and create an additional insulation layer of air

Rounded edge design for a more modern look and brings food closer to the center with the utmost cooling performance

Firm locking lid

Noise reduced fan

Integrated storage for cable

CAMPINGAZ®

# Lanterns

Our Campingaz® lanterns brighten your outdoor adventures and camping trips.

Explore our great range of cylinder and cartridge lanterns and find what suits your individual needs best.

# VALVE CARTRIDGE LANTERNS

We offer a complete range of valve cartridge appliances covering most consumer uses. They're equipped with a high security self-sealing valve, so they can be easily and safely disconnected and reconnected whether they're empty or not.

## Piezo ignition

Piezo ignition works by releasing a spring-loaded hammer to strike a spark from crystal, while electronic ignition uses a battery-powered circuit. Piezo ignition sometimes requires more than one press of the button.

## Easy Clic™ Plus

### 1. Click.

Simply press the appliance into the valve cartridge.

### 2. Rotate.

Twist the appliance 45° to the left to secure cartridge.

- Easy access to mantle
- Strong & reliable with integrated globe protection guard
- Piezo Ignition
- Convenient carrying chain

Carry bag included

- Strong & reliable with integrated globe protection guard
- Integrated hanging/carrying handle

## Lumostar™ Plus PZ

CAMPINGAZ®

A man with dark hair and a beard, wearing a grey shirt, is sitting on a light blue airbed inside a white tent. He is looking towards the camera with a slight smile. In the foreground, there are two woven straw hats and a pair of sunglasses. To the right, a yellow and grey backpack is visible. The background shows the interior of the tent and a glimpse of the outdoors.

# Airbeds & Pumps

A beautiful camping location is even better after a good night's sleep.

Our airbeds are light but tough and come in a range of sizes to suit all situations. Our 'Airtight™ System' means that they're not only comfortable, they're also guaranteed leak free, so you won't be let down in the night.

## QUICKBED™ AIRBEDS

Campingaz inflatable airbeds are light but tough, perfect for taking camping or as a spare bed for when friends come to stay. Choose from a range of sizes (including an extra large one for taller people).

Airtight<sup>™</sup> System

## CARTRIDGES FEATURES

**Refillable cylinders:** Intended for regular use or for extended operating times. Available in most European countries.

R901

R907

R904

Butane/  
Propane

**Valve cartridges:** Featuring a self-sealing valve, they can be disconnected and reconnected even when not empty!

CV300  
Plus

CV360

CV470  
Plus

CG1750

CP250

CG3500

**Pierceable cartridges:** Single use cartridge with the exclusive Clip & Go™ system makes cartridge connection and replacement very easy and user friendly.

C206

C206 GLS

**Easy Clic™ Plus:** Simple method for attaching a valve cartridge

1. Click.  
Simply press the appliance into the valve cartridge.

2. Rotate.  
Twist the appliance 45° to the left to secure cartridge.

**Screw in system for the cylinder connection**

## TYPE OF IGNITION

**Piezo ignition:** In a traditional piezo ignition, a small hammer hits against a crystal which creates a small spark that is used to ignite the gas. This always happens with an easily recognizable sound. Sometimes it needs more than one push to successfully ignite the gas with a piezo ignition.

**Electronic ignition:** Easy start due to a battery-powered circuit. A battery-powered tension is used to create a spark. The typical noise here is a silent clicking.

**InstaStart™ ignition:** This special type of electronic ignition is a convenient push and turn-button lighting system designed specifically for our BBQ grills. Pushing the button creates a spark. Turning the same button starts the flow of gas, that then ignites the spark to become a flame.

**Push & Turn Piezo ignition:** This special type of ignition is a convenient push and turn-button lighting the system designed specifically for our gas stoves. Pushing the button creates a spark. Turning the same button starts the flow of gas, that then ignites the spark to become a flame.

## BBQ FEATURES

**RBS™ healthy cooking:** Only our Radiant Burner System barbecues offer side-mounted, ceramic burners promoting healthy cooking with fewer flare-ups

**SBS - Campingaz® SEARING BOOST STATION FOR MASTER SERIES BARBECUE**

**Cast iron burners**

**Stainless steel burners**

**Standard burners**

**Patented blue flame burner for Master Plancha series**

**Indoor and outdoor use for more flexibility**

## STOVE FEATURES

**Side burner:** More cooking possibilities with a side burner that can be used for pots and pans.

**Even Temp<sup>®</sup> Technology:** Even heat distribution across the entire cooking surface.

**Less flare ups:** Designed for healthier cooking with less flaring from the burners.

**Campingaz InstaClean<sup>™</sup> System:** Removable dishwasher safe parts.

**Easy clean:** Can be washed and cleaned easily.

**Campingaz<sup>®</sup> Culinary Modularity:** Experience different cooking possibilities with exchangeable inserts.

**Thermometer**

**Side tables:** Side tables included.

**Foldable side tables:** Fold away for space saving storage.

**Slidable side tables:** Slide away for space saving storage.

**Included Plancha spatula and convenient spatula holder**

**Number of people that can be served per grilling session**

**Illuminated control knobs**

**Xcelerate<sup>™</sup> Technology:** The combination of the Xcelerate<sup>™</sup> burner and wind blocking pan supports provide the ultimate wind resistance for your gas stove offering a much faster boil time than regular burners.

**Integrated windshield system**

**Power adjustable:** Fully adjustable power.

**Boiling time:** Takes 3min and 3sec until boiling (numbers will vary)

**Quick cooking:** Quick cooking using a powerful burner.

**Stopgaz<sup>™</sup>:** for added safety, the gas cuts off automatically if the flame is blown out.

**Regulator and hose included**

**Two burner stove with two powerful burners**

**Toaster:** Includes toaster.

**Lid:** Includes collapsible lid

**Weight:** Product weight.

**Easy to carry:** Convenient carrying and easy storage.

**Fat collecting:** Fat collecting system for healthier cooking.

**Stable and tough base for better stability when cooking and working on uneven surfaces**

## AIRBED FEATURES

**Airtight™ System:** Advanced Double Lock™ valve with two sealing points guaranteeing a leak-free product. Makes inflation and deflation fast and simple.

**Coil structure:** All of our airbeds have an internal coil structure, ensuring firmness and comfort all night long.

## COOLER FEATURES

A non-toxic and safe antimicrobial treatment on the liners to stop mildew, mould, and odour-forming bacteria.

**12Vdc:** Runs off 12Vdc car cigarette lighter.

**12Vdc/230Vac:** Can be used in 230Vac mode with an 230Vac/12Vdc transformer.

**Capacity:** Capacity of the cooler, indicated by the amount of litres that the cooler can hold.

**Capacity:** Capacity of the cooler, indicated by numbers of bottles that the cooler can hold.

**Cooling performance:** Guarantees 17 hours (numbers will vary) temperatures below 15°C (with Freez'Pack).

**Cooling function:** The outside temperature minus 18 degrees Celsius (number varies between products) equals the temperature inside the cooler.

**WARRANTY APPLICATION TERMS AND CONDITIONS:** Please refer to the Instruction Manual. To find out more about our warranty visit [www.campingaz.com](http://www.campingaz.com) and view the After Sales section.

## STANDARD TERMS & CONDITIONS OF SALE

1. **ENTIRE AGREEMENT.** The party to whom goods are being sold, either by means of electronic data interchange or a traditional paper transaction is "Buyer." We are "Seller." The terms and conditions stated herein supplement Seller's sales agreement ("Vendor Agreement") specific to Buyer and together the terms and conditions and the Vendor Agreement constitute the entire agreement between Buyer and Seller ("Agreement"). In the event of conflict between the Agreement and those contained in any other proposal, purchase order, invoice, acknowledgement, or writing, this Agreement shall control. Any change to or addition of the Agreement must be in a separate writing and signed by both parties hereto.

2. **SELLER'S TERMS PREVAIL.** THE PURCHASE OF SELLER'S GOODS IS EXPRESSLY CONDITIONED ON BUYER'S ASSENT TO THIS AGREEMENT. ANY ADDITIONAL AND/OR DIFFERENT TERMS AND CONDITIONS ARE HEREBY EXPRESSLY REJECTED. BUYER SHALL BE DEEMED TO HAVE ACCEPTED THE AGREEMENT THE EARLIER OF SELLERS' ACKNOWLEDGEMENT OF THE ORDER AND BUYER'S RECEIPT OF GOODS.

3. **ASSIGNMENT.** Buyer shall not assign any sales order or any part thereof including, but not limited to any obligations to make any payment(s) due or to become due hereunder, without the written consent of Seller.

4. **PRICES.** Prices and terms are subject to change without notice. Seller will endeavour to provide Buyer with 30 days notice. The price to be applied shall be that which is in force on the date of delivery. Unless otherwise expressly accepted by Seller, Prices are quoted either : (i) ex-works dispatching place (Incoterms 2010-ICC), at which time Prices are exclusive of all transportation, insurance, taxes, license fees, customs fees, duties and other charges related thereto. Buyer shall pay any and all freight charges to the final destination and hold Seller harmless therefrom; or (ii) FOB port of shipment (Incoterms 2010-ICC) when Seller may offer merchandise for sale direct from Asia, at which time Seller only bears the expense of moving the container(s) to the named port in the country of origin.

Prices are for products only and do not include technical data, proprietary rights of any kind, or patent rights. Seller's intellectual property rights shall remain its absolute unencumbered property and nothing contained herein shall give Buyer any right, title or interest in or to Seller's intellectual property right.

5. **PAYMENT.** Products are invoiced on each delivery in USD, Euro or any other currency agreed by Seller. TIME IS OF THE ESSENCE for Buyer to pay Seller for the goods. The agreed upon payment terms are stated in the Vendor Agreement and on the invoice. In the absence of any such statement, payment is due in full within sixty (60) days from date of invoice by cheque, bank transfer, draft or any other mean of payment expressly accepted by Seller. In the event Buyer fails to make timely payment on one or more of Seller's invoices, Seller shall have the right to accelerate all outstanding payments Buyer owes to Seller and make such payments immediately due and payable, regardless of payment terms. Seller reserves the right to require payment by letter of credit, cash on delivery or other suitable payment terms and otherwise modify credit terms or to suspend production, shipment or delivery if prompt payment is not made. When partial shipments are made, payments for such partial shipments shall become due in accordance with the terms stated herein.

Seller does not ship any merchandise on consignment. All orders are accepted with any credit terms extended subject to the approval of the Seller's Credit Department. All late payments shall incur an interest charge of at least three (3) times the legal interest rate increased by 5 points, invoiced to Buyer without any formality. The interest rate stated herein shall continue to accrue after Seller obtains a judgment against Purchaser. The Seller has the right to exercise setoff or recoupment when needed to satisfy an outstanding debt.

6. **PURCHASE MONEY SECURITY INTEREST.** All products remain Seller's property until full payment thereof by the Buyer (price, interest and incidental expenses). Title to the products shall pass to the Buyer upon full payment.

To secure the performance of its obligations hereunder, Buyer hereby grants to Seller a security interest in all of its inventory of goods purchased hereunder for which Seller has not received payment pursuant to Section 5 hereof ("Secured Inventory"). Buyer warrants that all Secured Inventory will be owned by Buyer free of all other liens, security interests, and encumbrances that are prior to that of Seller. All of the Secured Inventory will be kept at the facilities, the addresses of which will be delivered to Seller at its request; but Seller's lien and security interest will be maintained despite the location of the Secured Inventory. Except for sales made in the regular course of business, Buyer shall not sell, encumber or dispose of or permit the sale, encumbrance or disposal of any Secured Inventory of goods without the prior written consent of Seller. In the event that Buyer sells Secured Inventory in the regular course of business, Buyer shall identify other inventory of value equal to that of the sold Secured Inventory as collateral for the security interest, which inventory then will be treated as Secured Inventory under this Paragraph 6. Buyer agrees to execute any instruments requested by Seller from time to time for purposes of further evidencing such security interest or notifying third parties by recordation or otherwise of such security interest

7. **UNAUTHORIZED DEDUCTIONS.** Seller does not recognize any deduction or penalty policies of Buyer other than a fully executed agreement and this Agreement. Should Buyer take an unauthorized deduction from a payment to Seller, Seller will reject the claim as invalid. Buyer will repay any such deduction immediately upon notification from Seller. Unauthorized deductions that are not immediately repaid will be deducted from any available credits due Buyer, including but not limited to, agreed upon merchandise returns or sales program allowances. Seller reserves the right to suspend shipments to Buyer until the unauthorized deduction(s) is repaid in full.

8. **RIGHT TO AUDIT.** Any disputes by Buyer shall be submitted to Seller in writing with proper documentation within one year of the invoice date. All Buyer claims received more than one year after the invoice date are waived.

9. **FREIGHT TERMS.** Unless otherwise accepted by Seller, sales of products are made ex-works dispatching place (Incoterms 2010-ICC) or FOB port of shipment (Incoterms 2010-ICC) when Seller may offer merchandise for sale direct from Asia. The Buyer must take delivery of the products and bear all risks of loss of or damage to the products from the time they've been rendered at the dispatching place. The Buyer shall issue a specific cargo insurance policy for any damage to the products from the time they've been rendered at the dispatching place; it is therefore the Buyer's obligation to submit claims for damages or shortages directly to their contracted carrier for any shipments. Seller is subrogated in the Buyer's rights towards his insurer. In the event that Seller procures insurance against the Buyer's risk of loss of or damage to the products during the carriage, the Buyer undertakes to (i) check the products on delivery (defects and/or shortages) and to (ii) immediately notify Seller of any transportation reserve.

10. **DELIVERY.** Delivery dates are approximate and shall be computed from the date of acceptance of the order by the Seller. Seller will deliver promptly on acceptance of each order. Seller will use its reasonable best efforts to fill all orders according to their terms. However, if any conditions arise which prevents compliance with the delivery schedule, Seller shall not be liable for damages, general, incidental, consequential, compensatory or otherwise, or for failure to give notice of any delay and Seller shall have such additional time within which to perform as may be reasonably necessary under the circumstances and shall have the right to apportion its production among its customers in such a manner as it considers equitable. Seller shall also have the right to deliver the goods in instalments including but not limited to, delivering from multiple origins.

11. **PRODUCT RETURNS.** Products in new condition (including but not limited to overstock, shelf worn or shelf damaged goods, or previously unsold obsolete goods) or defective goods may not be returned to Seller without prior written authorization and instructions properly issued by Seller. Seller shall not accept returned products except in accordance with such authorization and instructions. In the event of a rejection of any of the Products, risk of loss shall remain upon Buyer until the returned Products are accepted by Seller. Unless otherwise agreed, Seller will not bear any charges from the Buyer associated with the return, including transport costs, special handling fees or storage fees. Seller shall decide, at its exclusive option, if the products are to be replaced.

12. **RIGHT TO CANCEL.** Seller is under no obligation to grant Buyer's request to cancel or change quantities on previously submitted and accepted orders. If in its sole discretion, Seller allows Buyer to cancel all or a portion of an order and the work, delivery preparation, labelling or loading has already begun or is complete, Seller reserves the right to charge the Buyer restocking fees.

a. **Hold to Confirm Orders ("Booking Orders").** Seller will accept Booking Orders for mutual planning of future deliveries to Buyer. Booking orders may not be changed within 15 (fifteen) days of delivery, including but not limited to, changes to the quantity ordered or the mix of goods ordered. The requested delivery date on Booking Orders may not be changed. At no time may the value of the Booking Order be changed by virtue of quantity reductions, substitutions or item cancellation, so as to reduce the overall value more than 10% (ten percent) of the original submitted value.

b. **Manufactured to order cannot be cancelled or changed once the Buyer has confirmed the order.**

In addition to all other rights and remedies available to it, Seller reserves the right to cancel the order immediately by written notice to the Buyer in case of failure of the Buyer to perform or comply with any of the terms or conditions herein.

13. **PROPRIETARY GOODS.** Seller may agree at its sole discretion to produce or procure Special Make Up ("SMU") goods for Buyer. SMU goods may include but are not limited to a proprietary colour, carton markings, design or combination of multiple finished goods sold as a single selling unit. Buyer and Seller will collaboratively plan the lead-time production and sales forecast for the SMU items. Seller will produce or procure the forecasted quantities. Buyer agrees to purchase the total amount of SMU goods forecasted for the calendar year. If Buyer's orders have not consumed the forecast for the SMU items by December 1st of the given year, Buyer will immediately place an order for the balance to deliver from Seller by the end of the calendar year.

14. **SALE OF EXCESS OR OBSOLETE GOODS.** Seller may offer from time to time, close out purchases of excess, obsolete or discontinued goods ("E&O"). Orders for E&O goods are filled on a first come, first served basis. To secure the E&O goods, Buyer must submit a firm order before any other customer's order for the same goods.

15. **DIVERSION OF GOODS, LIMITATION ON RESALE.** Seller maintains sales relationships with a wide variety of retailers, wholesalers, discounters and distributors. Unless otherwise expressly agreed by Seller, Buyer agrees not to resell the goods on a whole-sale basis and understands that the goods may be specially coded to identify them as goods sold to Buyer. Should Buyer resell goods on a wholesale basis without being expressly authorized by Seller, Buyer shall pay damages to Seller in the amount equal to the difference between the price at which Buyer purchased the goods from Seller and the price which Seller could have received from the party to which Buyer sold the goods at wholesale, together with all reasonable attorneys' fees, costs of investigation and expenses expended by Seller to enforce this provision.

16. **INTERNET SALES.** With prior written approval from Seller, Buyer may use and display Seller's logos and trademarks ("Marks") in connection with the marketing, distribution and sale of goods online. Buyer acknowledges that all such Marks are the exclusive property of Seller. Any product descriptions or pictures ("Content") provided by Seller for use on Buyer's website(s) is the exclusive copyright protected property of Seller. Use of any of the Seller's Marks in any Uniform Resource Location ("URL"), domain name, trade name, or business name is prohibited without express prior written consent of Seller. Seller reserves the right not to establish new business relationships with Internet only Buyers that have no physical store locations and/or do not maintain an inventory of goods

17. **NO EXPORT OF GOODS.** Buyer agrees and represents that the goods sold hereunder are sold solely for use and consumption within Europe and are not for export outside of Europe, regardless of method of sale including Internet sales. Buyer further understands that Seller's consumer warranty is only valid for consumers in Europe unless Seller has explicitly stated otherwise in writing. Buyer is aware that the goods are not designed to comply with the requirements for sale in any other jurisdiction than the respective markets in which they are sold. If Seller is made aware, through any means, that Buyer is exporting goods purchased from Seller without the express written consent of Seller, Seller reserves the right to cancel all outstanding orders from Buyer and to refuse all future orders. If Seller has given its written authorization for Buyer to export the goods outside of Europe, Buyer shall comply with all export laws and regulations including, but not limited to, export licensing requirements, and Buyer shall be responsible for any goods' compliance or non-compliance with applicable laws in the country to which such goods are exported. Buyer agrees not to resell the goods to a country or person prohibited from engaging in commerce with the United States.

18. **PRESENCE ON SELLER'S PREMISES.** If Buyer's performance hereunder requires the presence of Buyer, its employees, agents or subcontractors upon Seller's premises, Buyer (and its employees, agents and subcontractors) shall comply with all relevant laws and with Seller's policies and internal procedures. Buyer shall also take such further precautions necessary or reasonable to prevent any personal injury or property damage from occurring as a result of the presence of Buyer, its employees, agents and/or subcontractors on Seller's premises. Any such precautions that Buyer takes which affect Seller's property or operations shall require Seller's prior consent. Buyer shall indemnify Seller for any and all damages, losses, costs and expenses, including attorneys' fees and expenses and costs of investigation, which Seller suffers or incurs in any way which result, in part or whole, from an act or omission of Buyer, its employees, agents or subcontractors. Buyer shall maintain such Commercial General Public Liability, Workers' Compensation and Employer's Liability Insurance as will protect Seller from any and all such liability. Buyer shall provide Seller with proof of coverage upon Seller's written request.

19. **NO AGENCY.** Nothing in the Agreement shall create or be deemed to create any relationship of agency, partnership or joint venture and Buyer will bear all of its expenses in connection herein. In this context, Buyer shall be solely responsible for the remuneration of its employees and for paying all expenses and outlays whatsoever of said employees, which are not connected in any way whatsoever with Seller. Buyer shall hold Seller harmless for any claim which would be directed against it by an employee at anytime during or after the Agreement.

This Agreement shall not have any authority to assume or create any obligation, express or implied, on behalf of Seller. Buyer shall not make quotations or write letters over the name of Seller but in every instance shall use its own name.

20. **INDEMNIFICATION.** Buyer shall indemnify, defend and hold Seller harmless from and against any and all claims, damages (including incidental and consequential damages), losses, costs and expenses (including reasonable attorneys' fees) which Seller may suffer or incur arising out of: (i) any breach of the terms and conditions herein by Buyer; (ii) any acts or omissions by Buyer, its employees, agents or subcontractors; (iii) any alteration(s) to the goods not authorized by Seller; (iv) Buyer's removal of or failure to include any and all instructions and warnings regarding the goods and provided by Seller; (v) Buyer's oral or written instructions or warnings inconsistent with those provided by Seller; (vi) goods that have been damaged by Buyer or those that have been damaged by a consumer and/or returned by a consumer after a retail sale; and/or (vii) Buyer's or Buyer's customer's failure to comply with all applicable laws, rules, regulations or ordinances.

21. **WARRANTIES.** Seller warrants: (i) that the goods delivered pursuant hereto are

manufactured in accordance with applicable laws and regulations; and (ii) that Buyer, upon full payment of the purchase price therefore, will receive title to the goods. Seller may provide the retail purchaser of the goods with a consumer warranty, as set forth in the packaging or labelling of such goods. Seller MAKES NO OTHER WARRANTY, EITHER EXPRESS OR IMPLIED, WITH REGARD TO THE GOODS DELIVERED PURSUANT HERETO. SELLER EXPRESSLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL SELLER BE RESPONSIBLE TO BUYER OR TO ANY PARTY FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES. Seller's sole responsibility and Buyer's exclusive remedy for breach of this warranty shall be the offer of an update for or the repair or replacement of such products or, if neither of the foregoing is feasible in Seller's reasonable discretion, refund of the purchase price paid for such products. Except for Seller's limited warranty accompanying the products, this warranty and the remedies identified herein is in lieu of all warranties, terms or conditions, express or implied, either in fact or by operation of law, statutory or otherwise, including warranties, terms or conditions of merchantability, fitness for a particular purpose and satisfactory quality.

22. **EFFECTIVENESS.** Any term(s) or condition(s) set forth herein which is/are invalid or unenforceable shall be ineffective only to the extent of such invalidity or lack of enforceability and shall not render invalid or unenforceable the remaining terms and conditions.

23. **FORCE MAJEURE.** Seller shall not be considered in default hereunder or be liable for any failure to perform or delay in performing any provisions of this Agreement in the customary manner to the extent that such failure or delay shall be caused by an act of God; fire, explosions, hostilities or war (declared or undeclared); or striking or work stoppage involving its employees. Seller shall use every reasonable means to resume full performance of this Agreement as promptly as possible; it being understood that Seller shall be entitled to automatically cancel the order after a (3) three months period of suspension.

24. **LAW/DISPUTE RESOLUTION.** The rights and duties of the parties to this transaction shall be determined by the laws of the Seller's country without regard to conflict of law principles. Any and all disputes arising in connection with this transaction shall be decided by the relevant Courts in the Seller's country.

25. **CONFIDENTIALITY.** Buyer shall hold the terms and conditions of this Agreement, including but not limited to the pricing, offered discounts, other sales program specifics or selling and distribution practices or methodologies of Seller confidential for any and all purposes excepting those purposes necessary to the fulfilment hereof.

Data privacy protection. Buyer recognizes and agrees that Seller may collect, use, store and transfer personally and non-personally identifiable information that Buyer may voluntarily provide during the course of their business relationship. The Seller will do its best endeavors to adequately protect such information, in the conditions set forth under a Privacy Policy that the Buyer may consult on the website [www.coleman.eu](http://www.coleman.eu). The Privacy Policy outlines the information that Seller may collect and in which conditions the Seller may use that information.

26. **FAILURE TO ENFORCE AGREEMENT.** Failure by Seller at any time or from time to time to enforce or require strict observance and performance of any term or condition of this Agreement will not constitute a waiver of or affect such term or condition in any way, nor shall such failure affect the right of Seller to avail itself at any time of such remedies as it may have for any breach of such terms or conditions by Buyer.

## ISO 9001

### Quality Management System Approved by LRQA

Over the years, Campingaz® has demonstrated its commitment to customer satisfaction by focusing on the quality and safety of its products. Application des Gaz (Saint Genis Laval, France) and Camping Gaz Italia (Centenaro di Lonato, Italia) have both been awarded Iso 9001 certificates in recognition of their quality assurance programmes which are applied to every stage of product design, manufacturing, quality control, development and delivery.

The Quality Management System is applicable to design, inter-company purchasing or sourcing, industrialization, manufacturing, storage and distribution of gas appliances and other outdoor leisure and camping products, barbecue and accessories. LPG cartridges, gas cylinders, DIY appliances and accessories under the Campingaz® brand name.

Due to our policy of continuous improvement, Application des Gaz reserves the right to alter or change the specifications of models shown. Some articles may vary in availability and specification from country to country. Please check with your local Campingaz® organization for further details. All pictures are non-contractual. All trademarks contained herein are the property of their respective owners.
